

## BLENDED PATHWAY Postbaccalaureate Change of Objective

**Submitted the QUARTER BEFORE graduate standing** – request made to the Registrar to change student status

**This form must be submitted and received by the Graduate Education Office, with all required signatures, by the deadline** in order to transition to graduate standing for the following term. Failure to meet the deadline will result in a one-quarter delay and create registration and student account calculation consequences.

Name (first & last) \_\_\_\_\_ Undergraduate GPA: \_\_\_\_\_

Cal Poly Empl ID (9-digit) \_\_\_\_\_ Academic Progress Gauge: \_\_\_\_\_  
 (% in Poly Profile as of submission date)

Cal Poly Email \_\_\_\_\_@calpoly.edu GWR Satisfied: \_\_\_\_\_  
 (MUST Show **complete** in Poly Profile to submit PBCO)

Current Bachelor's Program \_\_\_\_\_

I request permission to ADD the following objective and pursue a Blended Pathway:

Master's Program \_\_\_\_\_ Plan Code: \_\_\_\_\_

Utilizing your Degree Progress Report (DPR), identify the outstanding undergraduate degree requirements that still need to be fulfilled and list them in the box below. **Please be aware that the list below should not be regarded as an official notification of your remaining degree requirements.**

Course Prefix and Number	Units	Course Prefix and Number	Units

**Attachment: Upload a copy of your DPR here!** \_\_\_\_\_

**IMPORTANT:** **Download** and save a copy of your **Degree Progress Report (DPR)** when submitting this form, you will not have access to it once you transition to graduate standing.

Undergraduate students will be able to transition to graduate standing when they have completed **91%** of their undergraduate degree coursework and have satisfied the Graduation Writing Requirement (**GWR**). Because the University system updates after the form submission deadline, requests will be processed if 91% undergraduate degree completion is reached after submitting this form, as long as the completion percentage is met once the information in the system has been updated for the current term. If 91% completion is not reached this term, the form may be resubmitted next term.

Undergraduate students who are interested in pursuing a blended pathway, and will have *both* undergraduate and graduate degrees conferred upon completion of degree requirements for *both* programs, need to be aware of the following policies: <https://grad.calpoly.edu/policies/policies-guidlines.html>

- Graduate students must enroll in their first term at graduate standing, or they will be discontinued. \_\_\_\_\_
- Graduate students are required to be continuously enrolled from their first term until completion. \_\_\_\_\_
- From the first term until completion, graduate students have 7 years to complete their degree. \_\_\_\_\_
- Blended students cannot transition to graduate standing and graduate in the same term. A minimum of two quarters at graduate standing is required prior to degree conferral. \_\_\_\_\_
